## 5<sup>th</sup> Worksop (Methodist) Brownies

Clare Biddle and myself will be retiring from Brownies in July this year.

I (Jean) started helping with Brownies when my younger daughter was 7 and she will be 47 this month. A few years ago Guiders had to finish being leaders when they reached the age of 65. This changed and there is no age limit now. I feel as though it is time for me to retire, I will be 75 this year and I have been a leader for 40 years – most of the time as the main leader.

A few years ago when I hadn't got any help, I persuaded Clare to come and help. She has been wonderful helping as an assistant leader, but also feels that with her job and family commitments she is also going to retire. When the pack started in 1954 , Chris Hagen's mother was one of the leaders. It would be a shame if it were to close because of not having any leaders. We are hoping and praying that someone will take over. We have 20 Brownies at present and it would be a shame if the pack had to close. All leaders are volunteers and it is a big commitment. I have enjoyed being a leader with Brownies (I wouldn't have done it for 40 years if I didn't) and I will be sad to give it up. I know that many of you are too old to take over, but if you know of anyone who would like to either run or help with Brownies or would like more information, please let me know. Anyone interested is very welcome to come and visit us, we meet on a Tuesday evening at The Crossing 6 -7.30pm.
