Welcome to The Crossing Church and Centre

Minister: Deacon Emily Hoe-Crook

The Crossing Church, Worksop, is a single congregation Local Ecumenical Partnership (LEP) and is part of the wider Methodist and United Reformed Churches.

Christian Worship takes place each Sunday usually at 10.30am though where special joint services are planned this may differ.

The Church is a charity which is registered with the Charities Commission and is governed by a Church Council which is recognised as the Charity Trustees.

The purpose of the charity is to advance the Christian faith and our mission is to share the love of God and serve the local community. We seek to achieve this by offering a welcoming, caring place of worship, prayer and friendship, and by supporting the people of Worksop and surrounding area through a range of community events and activities.

Apart from the team of stipendiary ministers, caretakers and receptionist we are run almost entirely by volunteers who willingly serve the community by offering their time and talents as they are able, and we are always delighted when new volunteers offer to help. If you require further details about volunteering opportunities please contact either Emily or via the contact details below.

At The Crossing we have a Welcome Desk which is open from 9am to 5pm during the week, and is staffed by volunteers who can provide information about events taking place at the church and centre.
